Policy Wording

Welcome to **GUARDHOG**

It's not uncommon for your home insurer to exclude claims as a result of your home being occupied by a paying guest. **GUARDHOG**, in conjunction with Hiscox, have designed this policy together to protect you and your personal possessions when you have paying guests to stay; giving you the peace of mind to leave your home in the hands of a stranger.

We hope that the language and layout are clear because we want you to understand the insurance provided by your insurer, Hiscox Insurance Company Ltd, as well as the responsibilities you and Hiscox have to each other. Please read this document, including the schedule, and let us know, as soon as possible, if any of the details are shown incorrectly. Please note that some of the words used in this insurance are shown in bold type. These words are defined at the back of your policy.

If you have any questions you can email us any time at info@guardhog.com or call us on 02017 199 3258.

We would like to wish you the very best sharing,

Humphrey and Andrew

To benefit from this insurance

In order to have the benefit of this insurance **you** must have a valid **underlying domestic household policy** in place.

We will ask **you** to:

1. first try to claim on **your underlying domestic household policy**.
2. provide **us** with written evidence that the insurers of **your underlying domestic household policy** have declined **your** claim solely due to **your home** being lent to a **paying guest**.
3. insure **your home** for the entire duration of the **paying guests** stay.

Our promise to you

We will:

1. insure **you** in accordance with the terms and conditions of this **policy** in return for the premium **you** pay.
2. pay covered claims as quickly and efficiently as possible.

Your promise to us

Please ensure that **you** fulfil the obligations set out below; not doing so may affect a claim or could result in **your** insurance being invalid.

Please:

1. take care when providing any information **we** ask for and ensure that it is accurate, complete and up-to-date. Tell **us** if this information changes. If **you** are in any doubt, please contact Guard Hog by emailing us at info@guardhog.com. **We** will tell **you** if a change in information affects **your** insurance.
2. always try to prevent accident or injury and protect **your** property against loss or damage. Not doing so can mean a claim is more likely or is worse than it should have been.

Cancellation

We will refund **your** premium in full if, for any reason, **you** feel that this insurance is not right for **you**. To receive a refund **you** need to cancel this **policy** before **your home** is let to a **paying guest**.

If **you** cancel this **policy** while **your home** is let to a **paying guest** there will be no return of **your** premium.

We will only cancel **your** insurance for a valid reason and only by giving **you** at least 30 days' notice which will be sent by recorded post to the correspondence address shown in **your schedule**. **We** will refund **your** premium in full if **we** cancel **your** insurance.

How to make a claim

In order for **us** to deal with **your** claim please ensure that **you** fulfil the obligations set out below. Not doing so may affect a claim or could result in **your** insurance being invalid.

1. Please tell Guard Hog as soon as possible if something has happened which may result in a claim. Guard Hog will then take **you** through the next steps to making a claim either under **your home insurance policy** or this **policy**.
2. Please provide **us** with written evidence that **your home** insurer has declined **your** claim because of a **paying guest** staying at **your home**.
3. Please do not admit responsibility or make an offer of payment without talking to **us** first.
4. If **you** have any correspondence regarding a claim please send it to **us** as soon as **you** can.
5. To help **us** settle **your** claim **we** will require **you** to prove that **your** loss has happened. Please give **us** all the co-operation **we** need to investigate **your** claim, including evidence of the value of the items involved in a claim as well as any other relevant information and documents **we** may reasonably require.
6. If **you** are being held responsible for causing an injury or damage to property, **we** may take over and deal with the defence or settlement of any claim in **your** name.

7. **We** may start recovery proceedings in **your** name. **We** ask that **you** give **us** all the assistance **we** need to do this.

Information you have given us

The information **you** give to **us** is important as **we** use this in setting the terms and premium for this insurance. Occasionally, **we** are deliberately or recklessly given false information. If this happens **we** will treat this insurance as if it never existed and decline all claims.

If **you** acted carelessly when giving **us your** information several things could happen:

1. If **we** provided insurance cover that **we** would not otherwise have offered, **we** will treat this insurance as if it had never existed. If this happens, **we** will give **you** back **your** premium.
2. If **we** would have insured **you** on different terms, **we** will amend this insurance retrospectively and apply these amended terms to the claim.
3. If **we** would have charged **you** more premium, **we** will proportionately reduce the amount of any claim payment.

If **we** do any of the above, **we** will write to **you** explaining why this is happening. If **you** disagree with what **we** are doing, please tell **us**. If **you** are still not satisfied, **you** may ask the Financial Ombudsman Service to review **your** case without affecting **your** legal rights.

Other things to be aware of

This **policy** is governed by English law and any disputes will be dealt with in the courts of England or of the country within the **United Kingdom** in which **your** main residence is situated.

When a claim is made, **we** will only ever pay up to the relevant **amount insured**.

If a false claim is made, **we** can refuse to pay it or **we** can treat this insurance as if it never existed.

You and **we** are the only parties to this **policy**. Nothing in this **policy** is intended to give any person and right to enforce any term of this **policy** which that person would not have had but for the Contracts (Rights of Third Parties) Act 1999.

What is not covered

The following exclusions apply to the whole of **your policy**. There are more specific exclusions which are shown in the sections to which they apply.

We do not cover claims:

1. arising out of loss or damage to **buildings**;
2. that would be covered under **your underlying domestic household policy** or any other insurance if this **policy** did not exist;
3. arising out of a deliberate act by **you** or anyone acting on **your** behalf;
4. directly or indirectly caused by any nuclear reaction, nuclear radiation or radioactive contamination;
5. due to war or civil war;
6. due to the deliberate actions of any government or public or local authority;
7. directly or indirectly caused by a computer virus.

We do not cover loss or damage while **your home** is not equipped with kitchen appliances, fixtures and fittings, curtains, carpets, beds and furniture essential for modern living.

Your personal possessions

All the general terms and definitions apply to this section. Some extra exclusions for this section are also shown below. If **you** need to make a claim, please refer to 'how to make a claim' within general terms.

The cover

While **your home** is let to a **paying guest we** will insure **your personal possessions** against physical loss or physical damage which happens during the **period of insurance** at the address shown in **your schedule**.

How we settle your claim

We will ask **you** to provide written evidence that **your home** insurer, or the insurer of the building and its fixtures and fittings if **you** are a tenant of the building, has declined **your** claim solely due to **your home** being used by a **paying guest**. **We** will pay **you** the lesser of:

1. the sums insured under **your home** or **your** landlords insurance policy, or
2. the **amount insured** shown in **your schedule**. **Your schedule** will show **you** the maximum amount **we** will pay for each agreed claim.

Your schedule will also show **you** if **you** are required to pay the first part of each agreed claim. This amount will be shown as an excess.

Personal possessions

For **your contents**, **we** will decide whether to repair or replace the item or pay **you** the replacement cost. **We** will not deduct anything for wear and tear.

For **your art and collections** and **jewellery and watches**, **we** will repair or replace the item if this is possible, or pay **you** the market value on the date the loss happened.

If **we** repair a damaged item, **we** will also pay for any loss in value based on its current market value. It is **your** responsibility to prove the loss in value.

If any items which have an increased value because they form part of a pair or set are lost or damaged, any payment **we** make will take account of the difference in value of the items before and after a loss.

If **we** pay the full value for an item, pair or set, **we** will then have the right to take possession of it.

Your legal liabilities

All the general terms and definitions apply to this section. Some extra exclusions for this section are also shown below. If **you** need to make a claim, please refer to 'how to make a claim' within general terms.
